US Permafrost Association, Attn: Michael Lilly
P.O. Box 750141
Fairbanks, AK 99775-0141

B = complimentary banquet ticket, inclusion on www.nicop.org sponsors' page
R = complimentary registration and one set of proceedings
USPA Membership = Donors receive membership in the appropriate class of individual, corporate, or institutional membership. Sponsor's name tags will be color coded for level of support.

Contributions may be non-restrictive or in support of any of the following activities:

- Hosting receptions and banquet activities
- Student stipends
- Young researchers support and awards
- Support of proceedings publication and CD-Rom presentations
- 25th anniversary activities and publication
- Travel supported for invited speakers
- Tote bags and other memorabilia
- Selected field trip activities
- Other

For information on sponsoring selected activities, please indicate your preference or contact Michael Lilly at 907-479-8891, mlilly@gwscientific.com.

Sponsor's name tags will be color coded for level of support. Contributions may be designated as non-restrictive, or to support receptions, banquet events, 25th anniversary memorabilia, travel for invited speakers and young researchers and awards, tote bags, and selected field trip activities. Sponsors names will be listed at appropriate functions. All funds go to meeting support costs and the US Permafrost Association, a 501(3)c non-profit professional association promoting permafrost education, science and engineering. USPA Corporate memberships may be tax deductible for qualified organizations. Donations may be tax deductible, minus banquet ticket, proceeding or registration costs. For more information, visit www.nicop.org or www.uspermafrost.org.
